2023

An aerial photograph of a speedboat moving across the ocean, leaving a large, circular, white wake behind it. The water is dark blue, and the wake is a mix of white foam and greenish-yellow water. The boat is small and positioned near the top center of the circular wake.

# HANOVER OWNERSHIP PROGRAM

---

We want buying and owning a Hanover to be exciting and stress-free so we created an industry-first offering that

sticks to this promise from the moment you're introduced to our brand.

## **STRESS-FREE PRICING**

Our entire lineup is offered at our lowest price, save the haggling for the used car salesman.

## **FIRST TRIP**

Although you'll be prepared with training, you may forget some details during your first cruise due to the distractions of friends, music, and other boats. Let's make your first boat trip as enjoyable as possible.

You will be accompanied by a captain on your first trip (up to 4 hours) to refresh your memory and make you feel like a pro.

## **MAINTENANCE AND WARRANTY**

Similar to a newborn, a boat's first year is extremely important to its happiness and the satisfaction of its owner.

Our experienced team will visit and inspect your boat during the first 30 days of delivery, at 6 months, and once again at 11 months before your 1-year warranty ends. We know preventative maintenance is the key to a healthy vessel.

If it sounds too good to be true, it is, because we are really committed to making you a lifetime boater.

Don't just own a boat, be part of the Hanover Lifestyle
