HANOVER OWNERSHIP PROGRAM

We want buying and owning a Hanover to be exciting and stress-free so we created an industry-first offering that

sticks to this promise from the moment you're introduced to our brand.

STRESS-FREE PRICING

Our entire lineup is offered at our lowest price, save the haggling for the used car salesman.

FIRST TRIP

Although you'll be prepared with training, you may forget some details during your first cruise due to the distractions of friends, music, and other boats. Let's make your first boat trip as enjoyable as possible.

You will be accompanied by a captain on your first trip (up to 4 hours) to refresh your memory and make you feel like a pro.

MAINTENANCE AND WARRANTY

Similar to a newborn, a boat's first year is extremely important to its happiness and the satisfaction of its owner.

Our experienced team will visit and inspect your boat during the first 30 days of delivery, at 6 months, and once again at 11 months before your 1-year warranty ends. We know preventative maintenance is the key to a healthy vessel.

If it sounds too good to be true, it is, because we are really committed to making you a lifetime boater.

Don't just own a boat, be part of the Hanover Lifestyle
